

ORANGES GO HIGHER

No Material Change in Market Report from Yesterday.

Two Carloads of Fruit Arrived in Portland But Was Soon Gobbled Up by Retailers and Not Enough to Supply the Demand.

Oranges have taken a sharp advance as a result of the scarcity in California. They are quoted today at \$2.25 and \$2.50. The heavy rains in southern California has destroyed a large amount. The potato market is weak and there are no more fancy grades for sale in Oregon. A large shipment of corn fed pork was received from Omaha with the result that dressed pork is weak. There is no material change in the produce market.

TAINTED BLOOD

Columbus, Ohio, May 19, 1903.
Some four years ago I was suffering from impure blood and a general run-down condition of the system. I had no appetite, was losing flesh, and had all-gone tired feeling that made me miserable. I began the use of S. S. S., and after taking seven or eight bottles my skin was cleared of all eruptions and took on a ruddy, healthy glow that assured me that my blood had been restored to its normal, healthy condition. My appetite was restored, as I could eat anything put before me, and as I regained my appetite I increased in weight, and that "tired feeling" which worried me so much disappeared, and I was once again my old self. I heartily recommend S. S. S. as the best blood purifier and tonic made, and strongly advise its use to all those in need of such medicine. VICTOR STUBBINS, Cor. Barthman and Washington Aves.

Wheeling, W. V., May 28, 1903.
My system was run down and my joints ached and pained me considerably. I had used S. S. S. before and knew what it was, so I purchased a bottle of it and have taken several bottles and the aches and pains are gone, my blood has been cleared and my general health built up. I can testify to it as a blood purifier and tonic. 1533 Market St. JOHN C. STRAIN.
